SGRPRC offers a summer day camp for children ages 5 to 12. The camp is offered for eleven weeks during the summer. SGRPRC Camp Quest will provide campers with an opportunity to develop skills in an exciting open setting. Campers will enjoy making new friends and participating in various activities.

Campers are split into 3 groups based on age/grade level. Groups will rotate activities throughout the day. Activities will include sports, games, music, crafts, swimming, nature study, and many others.

Camp is limited to approximately 50 campers each week. The last week (childcare week) will be limited to 24 campers due to limited staff.

You choose only the weeks you need or want your child to attend. Your spot is secured when we accept your registration forms and deposit. If a week you request is already filled, we can put you on a waitlist for that week at your request. We will contact you when there is a cancelation.

Campers will receive:

1. SGRPRC Camp Quest T-Shirt
2. SGRPRC Camp Quest Water Bottle
3. SGRPRC Camp Quest Swim Bag*

Each camper will receive these items in his/her first week attending, prior to the field trip. If you lose or damage one of these items, you may purchase a new one for \$8.00 per item. (The only item required by camp is the T-Shirt. This is a safety concern on field trips. If your child shows up for field trip without their t-shirt, he/she will be given one to borrow for the day. If it is not returned, you will be charged for a new one.)

Communication

Arrival Procedure

- An Adult must sign the child in with time and initials each day.
- For safety, parents may NOT leave cars running or leave small children in the car when dropping students off.
- Parent(s) or guardian(s) MUST walk their child into the building, UNLESS other arrangements are made with the site staff.
- **Please inform staff if you will be dropping your child off AFTER 8:30 AM.** You may call or write a note in the communication log. We understand that things come up and appointments are scheduled.

Departures

- The adult picking up a child should write the pick-up time and again sign his/her initials on the sign-in/out sheet.
- You will be asked for photo ID until staff recognizes you.
- **Please inform staff IN ADVANCE if you will be picking up your child BEFORE 3:45 PM.** This is so staff can plan accordingly and make sure child is ready for pick up, otherwise the group may still be involved in an activity and away from the cafeteria/ designated pick-up location.

NOTE: EVEN IF a name is on the Emergency Contact form giving permission for release; THE SITE STILL MUST BE INFORMED by a phone call or a note in the Communication Log **IN ADVANCE letting staff know to expect someone other than the usual pick up person.*

We do realize that unforeseen situations may require a parent to make a last minute phone call to inform facilitators of a pick-up by a person not authorized on the child's enrollment forms. If this happens:

1. Paperwork will be filled out on the person picking up the child
2. We will ask for a picture ID before we will release your child into their custody.
3. We will also require a phone number that the parents can be reached for verification.
4. If the parent cannot be reached at this number the child cannot be released to the other individual. **These guidelines are set by the state and we are required to follow.**

Reporting Absences/Attendance Changes

Please contact staff if your child will not attend the program for that day. This allows our staff to plan for the day, and they know not to be expecting your child.

Please contact staff immediately if you are running late to pick up your child.

For other important messages for staff, please write them down in the communication log book located at the sign in/out desk. Please ask for the book if you need to leave a message and do not see it available. If for some reason the regular staff is not there, then the substitute will know that there is a change that they need to know about that child.

If there are changes happening at home or if there is a schedule change, this may affect your child. Alerting the staff will help us to better understand what your child is going through at this time.

Health & Safety Policies

Conduct

Theft or unauthorized taking of SGRPRC property, staff property, or another child's property will result in disciplinary actions including but not limited to suspension or termination. Final decision is at the discretion of the Director and based on an assessment of all relative factors.

IEP (Individualized Education Program) , IFSP, or 504 Plan

If your child has an IEP , IFSP, or 504 Plan, please provide us with a copy of your paperwork for your child's file, before he/she is enrolled in our program. If one is written at any point during the school year, then a copy for our files would be appreciated.

These files are kept confidential and only the Director has access to them. The more information that we have, the better we can plan and take care of your child.

Health and Emergency Forms

To comply with regulations from the Department of Welfare, we are required to keep completed health forms, emergency forms, and payment forms on file for each child. All forms must be completed and in your child's folder before they may begin our program. If you come to a site without the proper forms filled out, you will be turned away until the forms are completed. If your child has any health issues, please let the Director know in order to complete a Special Health Care Plan.

Health Policy

When a parent sends a child to camp, we assume that the child is in good health and can participate in all activities, including gym and outdoor play. If, for any reason, a child cannot participate in any activity, a written note must be given to the facilitators. Runny noses, mild coughs, and colds should not keep your child from participating in program activities.

If a child becomes sick while at the center, we will call and ask you to make arrangements to pick-up your child as soon as possible. We will send a child home with any of the following symptoms: (1) temperature of 101 degrees or higher taken under the arm or orally, (2) vomiting, (3) severe diarrhea, defined as 2 or 3 loose stools in an hour, (4) any contagious rash such as impetigo or ringworm, (5) head lice (this requires that you contact your child's doctor and SGRPRC immediately). Your child may return to the child care site after being treated with Nix shampoo or physician-approved treatment with a doctor's note.

If your child has been sick with a communicable disease other than a cold or flu, please check with your physician before sending the child back to childcare. If there is an outbreak of strep throat, head lice, etc., we will notify parents at the time of pick-up. If your child has any limitations please provide us with a note from the doctor at the time of drop off or call us if your child has a note for us in his/her backpack.

Children who have been ill **may return when:**

- They are free of fever, vomiting and diarrhea for 24 hours.
- They have been treated with an antibiotic for 24 hours.
- They are able to participate comfortably in all usual activities.
- They are free of open, oozing skin conditions and drooling (not related to teething) unless:
 - The child's physician signs a note stating that the child's condition is not contagious, and;
 - The involved areas can be covered by a bandage without seepage or drainage through the bandage.
- If a child had a reportable communicable disease, a physician's note stating that the child is no longer contagious and may return to my care is required.

Administration of Prescription Medicines

A counselor will administer physician prescribed-medicine to your child when necessary. Our licensing agency, the Department of Public Welfare, enforces the following strict regulations that we must adhere to for the safety of both the staff and children.

Prescription Medications

Medications must arrive at the site in an original container, labeled with the child's name, the name of the medication, and exact time medication is to be given, and the exact dosage. If you ask your pharmacist, they will give you a second labeled container for the medication. Medications for asthmas such as inhalers or nebulizers will sometimes be prescribed on an "as needed" basis. We can keep them on hand for that occurrence, but the same rules must be followed. If pills need to be cut, the parent must send them cut and ready to be given to the student.

Over-the-counter Medicines

We cannot administer over-the-counter medications without a physician's prescription stating a dosage and exact time of administration.

We cannot store over-the-counter medications at the site past the date prescribed by the physician.

A physician must supply a new prescription for over-the-counter medications.

Medication Log

A parent or home caregiver must sign the medication log at the site each week that a medication is to be given to a student. If a medication is given each day a medication log will be in your child's folder. Staff may not administer medication unless we have your signature.

All medications MUST be in their original prescription bottle or labeled with the current prescription label.

All Medications

Make sure to hand all medications *directly* to the facilitator. Do not leave medications in your child's backpack.

Please keep in mind the following suggestions:

- Many antibiotics can be administered at home in the morning and in the evenings, eliminating the need to send medicines to school. It is always safest to give medications at home.
- If your child is taking medications at home, please let the facilitator know. Also check the time medicine was administered at the site to adjust the time of the next home dose to prevent "over dosage".

Sunscreens

Sunscreens may be applied; however, a parent must complete a permission form. Containers **MUST** be marked with the child's name.

Personal Items Campers Need

- T-Shirt or comfortable top
- Shorts or comfortable pants
- Girls wearing skirts **MUST** wear shorts underneath

* Campers will be required to wear clothes and sneakers to walk to and from the pool.
- Make sure your child comes prepared on swim days.
* **There is NOT enough staff to watch campers if they cannot swim.**
Campers will have to go along to the pool and sit out with a quiet activity.
- For campers who need flotation devices, please send items along. Inform staff if items can stay at the pool for the duration of camp. * Please label these items with your child's full name.

SGRPRC Camp Quest Behavior Policy

General Procedure

SGRPRC is committed to providing a caring and safe environment for each student. Staff uses multiple strategies to encourage and support appropriate behavior. Examples of support include creating site rules collaboratively, giving positive verbal praise, modeling good behavior, and CAMP “Dollars.” Dollars are awarded at the counselors’ discretion. Dollars may also be taken away for inappropriate behavior.

*Once a week, campers are able to spend their money at camp store.

We ask our campers to come positively prepared to CAMP:

C – Cooperate
A – Attitude
M – Manners
P – Participate

Action Plan

When students do not demonstrate these expected behaviors and become verbally or physically aggressive or disrespectful, staff will intervene. If verbal redirection does not cease the inappropriate behavior, other disciplinary actions will be utilized.

1. Lose Camp Dollar
2. Removal from Activity
3. Removal from Activity & a Write-Up (Note Communicating with Parents)

Challenging Behavior

While it is the staff’s goal to provide an environment for each child to become self-disciplined, extenuating circumstances may occur.

- After 2 Write-Ups are written for the same behavior, a **Discipline Report** will be completed.
- A Discipline Report may also be warranted on a FIRST offense for harmful physical contact.
- **After 2 Discipline Reports**, the Director will schedule a meeting with parents to discuss a plan of action. The Director may advise requesting a referral for Intervention Services.
- If inappropriate behaviors do not cease and the safety & well-being of the other children in the program or staff are a concern, suspension and/or termination from the program or field trip may result.

Staff has the right to issue a write-up or discipline report at any point if deemed necessary.

TO ATTEND SGRPRC CAMP QUEST, YOU AND YOUR CHILD WILL BE REQUIRED TO AGREE AND SIGN TO THE ABOVE TERMS. A SEPARATE FORM WILL BE PROVIDED TO YOU AT REGISTRATION TO HANDLE THIS AGREEMENT. REFUSAL TO SIGN MEANS WE WILL NOT BE ABLE TO PROVIDE YOU ANY CHILDCARE SERVICES FOR SUMMER CAMP.
