

INDIVIDUALIZED EDUCATION PLANS (IEP or GIEP) & INDIVIDUALIZED FAMILY SERVICE PLANS (IFSP) INFORMATION SHEET

Because of the diverse set of needs of the children in our program, it is important to gather as much information about the best ways to educate each child. IEP's and IFSP's are created by service providers working with children with special needs and include this information. The information found on an IEP/IFSP is protected by privacy laws including the Health Insurance Portability and Accountability Act (HIPAA).

Your child's growth and development is measured with developmental assessments. If your child currently has an IEP/IFSP, it would be beneficial to share a copy of this plan with us so we can work together to ensure that the guidelines are put into practice. You do not have to provide this information if you do not wish to do so.
