## ELECTRONICS PERMISSION

We follow the same building policy for the acceptance of personal electronics at the sites. We occasionally allow students to bring their electronics but ONLY on staff approved scheduled days. For buildings not allowing electronics, students will ONLY be allowed to bring them if they are LOCKED IN OUR cabinet during the day. NO EXCEPTIONS!!! Be advised, allowing your child to bring their electronics is risky.

**NO ELECTRONICS allowed when care is provided at the Recreation Center.**

*Site staff, SGRPRC staff, and ANY SGASD employees or administrators ARE **NOT RESPONSIBLE** for any broken, lost, stolen, or misplaced electronics. Giving permission for your child to bring such items is solely the responsibility of the parents, and child.*

\_\_\_\_\_ I **will not** be giving ANY permission for such equipment to come to the program or site.

\_\_\_\_\_ I will allow my child to bring electronics ONLY on the permitted day and understand that I cannot hold anyone responsible for the possibilities as listed above. I also understand that the electronics MUST be given to a staff member and locked in the program cabinet during the school day.

## HAND SANITIZER

Due to the amount of sickness going around this past flu season we are taking precautions to avoid the spread of germs at the sites. We will continue the thorough hand washing before and after breakfast and snack times. For situations when we are on the playground and after blowing noses and sneezing we would like to start implementing the use of hand sanitizer.

The Department of Public Welfare is permitting the use of hand sanitizers only for situations as stated above, it will not replace soap and water washing prior or after handling food and consumption. Sanitizers will remain in the possession of the staff and be distributed by adults only.

The state is requiring us to have permission by parents to allow the use of hand sanitizers.

\_\_\_\_\_ I give permission for my child to use hand sanitizer under the supervision of staff.

\_\_\_\_\_ I **do not** give permission for my child to use hand sanitizer under the supervision of staff.
