What rooms are available and what is in them?

These questions are always the first asked and the most important. The options that are available consist of the following:

- **Community Room** – Holds up to 60 people and is equipped with a stove, refrigerator/freezer, microwave and kitchen area. Most rentals that take place here are for birthday parties, baptisms, anniversary parties, small weddings, baby showers and bridal showers.
- **Gymnasium** – Holds over 200 people. This area is mostly used for basketball, volleyball, dances and big receptions. There is a stage area that is also available with rental of the gymnasium. Our sound system is available for use at an additional charge.
** Additional janitorial fees may apply for gymnasium rentals*
- **Studio B**– Holds up to 25 people and is arranged in a dance studio setting and atmosphere. This room can be used for small parties, sports oriented activities or meetings.

All rooms in the Spring Grove Recreation Center have air conditioning and heat. All rooms are available individually or in a combination with one another. All rentals are set up in contract form, requiring a **\$30.00 NON-REFUNDABLE deposit** due at the time of booking and contract signing. All deposits are applied toward total rental cost. *Service fees will be charged for any damages, extra maintenance or janitorial services, additional special requests, holidays or building closure dates.*
